

FROM THE RECTOR

Dear St. Peter's,
It is my honor and privilege to serve as your Rector during a season of discernment about our ministry, deepening our relationships across generations, and devotion to God and the traditions that ground us in faith. We don't know yet which path we'll take together, but we know how we'll get there: walking in love, as Christ loved us (Eph 5:2). For my husband and I, it means that we are generous with our time, worship privately and publicly, and give more than 10% of our income to the church and charity. Will you join me in this walk?

Much love,
Kelly+

*Walk in love,
as Christ loved us
and gave himself
for us, an
offering and
sacrifice to God.*

Ephesians 5:2

WALKING IN LOVE TOGETHER MEANS...

DEVOTION: The loving, liberating, and live-giving work of God is why we do what we do, it's our devotion. When we're making big decisions as an individual or as a church, our guide is the Creator of All. Traditions like All Saints', Christmas, Mardi Gras, Lent, and Holy Week are guideposts, reminding us of the cycles of life and the Gospel.

DISCERNMENT: a churchy word for seeking God's will. While we always seek to improve our ministries, this year the leadership has engaged

consultants and a strategic planning team to guide us through a holy process to discern our past, present and future as a congregation. This will involve deep listening to God and each other to set our path for the next few years.

DEEPENING: We hope all people will deepen their walk with God and neighbors, whether through learning, serving or worshiping – hopefully all three! Our many ministries are meant to deepen spirituality; we'd love to have you try our Midweek Meals, classes, outreach, little church and more.

WHAT CAN I DO?

DEVOTE yourself to prayer and seek God's loving, liberating and life-giving call in your life with your time, talent and treasure.

DISCERN Will you help St. Peter's discern our multi-year plan at our parish-wide meetings this year? Are you feeling a tug to help out with children, join a class, serve, meditate or pray?

DEEPEN Where are you called to go deeper in your walk with God and neighbors? To continue the relationship-building that took place over dinner groups or attend the Advent retreat? Meeting with clergy is a great place to start.
